The added Pebble Beach repairs and the project as a whole is completed!!

There will no longer be any lane restrictions or delays.

I would like to thank everyone for being patient and understanding with us for the last 9 years of work being completed on “The Narrows” and “Pebble Beach” projects.

I would also like to thank our client agencies, Idaho Transportation Department, the Forest Service, and the Sawtooth National Recreation Area for their cooperation and help in delivering these projects.

This will wrap up these weekly updates for the Ketchum-Challis Highway.
